Subject: BHRC Meeting with Ed Murphy and Jim Williams

Dear BHRC,

Today, Brian Doll, Patrick Beatty, Howard Feldman, Lorraine Twerdok, and myself met with API's Ed Murphy, Group Director, Industry Operations and Downstream and James (Jim) Williams, Senior Manager Downstream, to discuss the BHRC and SHS. It was a very successful meeting. Ed is Bill Frick's replacement and has API oversight of our project. He was very interested; asked lots of good questions, and agreed that he would be our "champion." Jim extended an invitation for us to visit with the HES-GC and the Downstream General Committee. We used an updated set of slides that Patsy used to present to the HES-GC last year. For your information, I attach the agenda of the meeting and a thank you that I sent to Ed and Jim. We can discuss more fully on the March 8 call.
