Subject: EPA Flag for LPPC Speech

Good afternoon Ms. Hupp,

I have spoken with Nathan Reese who requested I reach out to you directly about getting an EPA flag that we could hang during Administrator Pruitt's remarks to LPPC on Monday, May 22nd. As you may know, we have a walk-through with your advance team (Brady Henderson and Forest McMurray) this coming Friday, May 19th. I have tried to call Brady several times on the number that he gave me but it keeps going straight to voicemail and it doesn't allow me to leave him a message.

Would you please send me his contact information or direct me on how best to secure an EPA flag? It would be great to have it brought to the walk through so we can have it hanging and ready on Monday.

Thank you for your guidance!

Lyda
