**Subject:** UVC radiation now being detected regularly all over the US + pH of the soil here in Florida is skyrocketing (>10 in some areas) + Alzheimer's cases are skyrocketing

Hi,

I have a number of concerns related to the environment:

**Ex. 6**

So basically - we have successfully polluted the entire pacific ocean, are actively killing all our trees, and doing God knows what to all life forms with the heavy metals et. al. in the chemtrails that cloud our skies every day, and you are doing what?????

Please tell me.

kim
