Subject: Meeting request from IPAA
[removed.txt](#)

Sydney,

Could you please assist us with setting up an introductory meeting between the Administrator and IPAA's President and CEO, Barry Russell? We have several items affecting independent oil and natural gas producers that we'd like to identify and offer our assistance as EPA seeks to address them.

Feel free to reach out to Lee Fuller (cc'd) or myself with any questions. We thank you in advance for the consideration of this request.

Best,

Sam
