## Your teeth are only as healthy as your gums

**4 out of 5**

Dental statistics prove that four out of every five over 40—as well as thousands younger—pay Pyorrhea's toll. Do you want to elude this dread disease?

The gums are the keys to health. You must keep them firm, strong and healthy if you would elude Pyorrhea and its attendant ills—loosened teeth, neuritis, indigestion, anaemia and similar diseases.

Forhan's For the Gums counteracts the effects of harmful bacteria; hardens soft, tender gums, keeps them sound, firm and pink. Furthermore, it cleans and whitens the teeth and keeps the mouth fresh, clean and wholesome.

If you don't care to discontinue your favorite dentifrice, at least brush your gums and teeth once a day with Forhan's.

It is a preparation of proved efficacy in the treatment of Pyorrhea. It is the one that many thousands have found beneficial for years. For your own sake, make sure that you get it. Ask for, and insist upon, Forhan's For the Gums. At all druggists, 35c and 60c in tubes.

Just as a ship needs the closest attention under the water-line so do your teeth under the gum-line
