On July 4th a car belonging to the Sales Department was stolen while in possession of Howard Weckel. The car was later recovered but had been stripped necessitating the expenditure of \$104.62, all of which was submitted to the Insurance Department and which you can find in Mr. Snabl's file. Mr. Stuart was instructed by the adjusters to go ahead and have the repair work done and they would see that we were reimbursed for our expenditure. We had expected that this check would clear in time for reducing the expense account but apparently it did not leave the adjusters office until August 30th, and we have not as yet received settlement from your Insurance Department.

Thos. V. Alsop.
Assistant Treasurer.
