

1 low the exposure is.

2 And in order for us, the epidemiologist to
3 look into that, we need to be able to communicate with
4 industrial hygienists. So I need to take enough
5 classes to be able to communicate with them.

6 Q Okay. I think you testified that you got
7 your Doctorate in 1975.

8 Since that time have you taken any other
9 educational courses that would be relevant to your
10 testimony here today?

11 A Yes, I have.

12 Q Okay. And what topic, do you recall?

13 A I make the foolish mistake of going back to
14 school about three years ago at University of
15 California, and I took a class in environmental
16 toxicology.

17 Q Does that also apply to your work as an
18 epidemiologist?

19 A Yes.

20 Q You are an epidemiologist, correct?

21 A Yes, I am.
