Hi Donna,

Nice to hear from you. Thanks for the kind words.

Thanks, too, for the offer to help. I'll look for opportunities to accept your offer.

Take care.

Hello, hope this reaches you. I just wanted to send a note to say how pleased I am that you are back at Interior. If there is anything I can do to help you either in Washington or here in Albuquerque, please let me know. I hope you know I'm available to you anytime. My son and I have a consulting company; but will help either through the company or personally. Please keep in touch.
