Hey Leila!! Hope you're great. Below is background on the "Say YES to NGS" event next wk. The kickoff will be on February 6 at 11:00 on the grounds of the Arizona Capital. We expect over 250 union members, leaders of the Navajo Nation and Hopi Tribe, miners, state

and federal officials. Cecil Roberts, the President of the UMWA, will also speak. There will also be a large video screen for those leaders who are unable to attend to participate. If there is a way to have the Secretary attend or even execute a video message supporting the workers by keeping NGS open, that would be the highlight of the rally.

Hey Leila!! Hope you're great. Below is background on the "Say YES to NGS" event next wk. The kickoff will be on February 6 at 11:00 on the grounds of the Arizona Capital. We expect over 250 union members, leaders of the Navajo Nation and Hopi Tribe, miners, state and federal officials. Cecil Roberts, the President of the UMWA, will also speak. There will also be a large video screen

for those leaders who are unable to attend to participate. If there is a way to have the Secretary attend or even execute a video message supporting the workers by keeping NGS open, that would be the highlight of the rally.

As always thanks so much for consideration!!

Hey Leila!! Hope you're great. Below is background on the "Say YES to NGS" event next wk. The kickoff will be on February 6 at 11:00 on the grounds of the Arizona Capital. We expect over 250 union members, leaders of the Navajo Nation and Hopi Tribe, miners, state and federal officials. Cecil Roberts, the President of the UMWA, will also speak. There will also be a large video screen for those leaders who are unable to attend to participate. If there is a way to have the Secretary attend or even execute a video message supporting the workers by keeping NGS open, that would be the highlight of the rally.

As always thanks so much for consideration!!
