| SUBJECT | Raw Material Number Designations |    |            |         |                                                                                                |

Please make the following change on the first page of your Raw Material listing dated 4/3/68:

| <u>Number</u> | <u>Raw Material</u>              |
|---------------|----------------------------------|
| 90-025-06     | Sipex SBY and Avirol 101 Special |

Also, add the following Raw Material and Part Number to the listing dated 12/13/68.

| <u>Number</u> | <u>Raw Material</u> |
|---------------|---------------------|
| 95-107-04     | Gelatin, Type 225B  |

Thank you.
