Dear Myrle:

Further to the subject of non-asbestos product formulations, please be sure to keep me posted when your full line has gone completely non-asbestos formulation with the exception of the "special order" situations. Thanks.

Cordially yours,

Julius Nemeth

Julius:

The date of our discontinuance of Asbestos was the date of the new formulas I sent to you, which was September 7, 1977. We stopped the use of Asbestos in our Textures approximately three weeks before this date.
