**Re: United States Energy Association 10<sup>th</sup> Annual Energy Supply Forum**  
**July 27, 2017**

Dear Administrator Pruitt:

On July 27, 2017, USEEA will hold its 10<sup>th</sup> Annual Energy Supply Forum in the Ballroom of the National Press Club, located at 529 14<sup>th</sup> Street, NW, Washington, D.C. This annual gathering brings together the country's top energy industry and policy leaders to examine the current state of energy exploration and production, electricity generation, and global and domestic fuel supply.

We would be honored if you would consider addressing this unique event from 9:05 AM – 10:35 AM and address the "Energy Supply Policies in the New Administration".

The Forum is a full-day event. We generally have representation prominent industry professionals from the Washington energy policy community, Capitol Hill, U.S. government agencies, local embassies, various corporations. The event is also covered by the national media.

Thank you in advance for considering this request. We will contact your office to coordinate your participation. In the meantime, should you or your staff have further questions, please feel free to contact me directly at 202-312-1235 or my assistant, Kim Grover at 202-312-1236.

Sincerely,
