

ted with planning and financing a home is the up. office personnel of T. J Lords San Diego c. New offices at 4030 El Cajon blvd are open

(Special) — More than 1,200,000 persons are living in homes financed under the FHA plan, according to figures made public today by Administrator Stewart McDonald

This number now is being increased at the rate of approximately 12,500 a week as a consequence of the accelerated home construction activities under the liberalized FHA program put into effect last February

In addition it is estimated that between five and six million persons have been enabled to improve their living conditions through the FHA property improvement program More than 12,000 of these loans are being insured each week

Overlooking a valley near Lakeside, 59 acres of hilltop land suitable for farming, avocado growing, or for a homesite, are being offered at a moderate price.

As the owner is out of the city, the land will be shown to prospective buyers by Mr. Lehman, 4479 Altadena ave., one block north of the 5100 block on El Cajon blvd.

Gold and silver is found on the property Ore will assay as high as $15 per ton, according to Mr. Nye, the owner

Climatic conditions are excellent for growing avocados.

The Arabic word "Haram" means "sacred place"
