We're looking forward to hosting you today for the CEO Critical Minerals Roundtable. We have an important change to how to enter the building. Please do NOT arrive via the main entrance on 1849 C Street NW. We're directing you to enter through our parking garage A-Ramp located on 18th Street (between C street and E street). To access A-Ramp parking garage, travel from Constitution Avenue, turn north onto 18th street (one-way); continue north on 18th street through the traffic light at C street (main building will be on your left), go to the first ramp and guard station and turn left onto A-Ramp. There will be members of the Secretary's staff there ready to escort and guide you to the meeting room. Please confirm receipt of this email. And please confirm if you'll be arriving by taxi or car service. Thank you!
