

(Drislane - Purcell)

1 Q At the end of Exhibit W there is a P.S., could you
2 read that? This is the letter to you and a P.S. from Mr.
3 Stefl?

4 A Yeah, I see that.

5 Q The P.S. reads, quote, I have just been advised
6 that the AIA/NA testimony will be presented on Friday 10/15
7 in Chicago. Perhaps you would care to be present, closed
8 quote.

9 This would be Mr. Stefl alerting you to the
10 testimony of the AIA, the Asbestos Information Association
11 and proposing that you might wanted to attend; is that right?

12 A That's what he's apparently suggesting, yes.

13 Q Did you attend?

14 A No, I did not.

15 Q Why didn't you attend?

16 A I had other things to do.

17 Q Did you ever attend any AIA meetings?

18 MR. FRIESTEDT: Objection to form.

19 A Yes.

20 Q When did you first attend an AIA meeting?

21 A I can't -- I can't recall.

22 Q What were the circumstances where you first
23 attended one?
