DOW VCM CAR DERAILMENTS

J. H. Knapp

As per our conversation of today, please find net weight data covering VCM material loss incurred during transfer of product after derailment of cars MCPX 21007 and MCPX 21061.

1. Car #21007 was derailed and its contents were pumped into car MCPX 21020. Dow has invoiced us for car 21007 at 150,300 lbs.
Receiving report for car 21020 contents 148,000 "
Loss 2,300 "
2. Car #21061 was also derailed and its contents transferred to car NATX 12269. Dow invoiced us for car #21061 at 147,300 lbs.
Receiving report for car #12269 142,300 "
Loss 5,000 "

Please file claim with proper carrier for 7,300 pounds of VCM at 0.03124/lb. or \$228.05.
