Good Afternoon Nancy,

I have attached your individual dial in and log in information for next week's webinar: 2018 Chemical Policy Summit Series Part III: TSCA at 2: An Update on Implementation and Hot Topics. There is an add to calendar option on the invite should you like to use it. Please make sure to test the link to the webinar platform before the day of the program by selecting "Follow this link." Please also try to log in and dial in 30 minutes early on the day of the webinar. Please let me know if you have any questions.

Thank you!
Claire
