Takes 2 Lives

WASHINGTON, (AP)—Two men died early today when a fire broke out in their third-floor room in the Mayflower Hotel. Smoke spread through the air conditioning system and hundreds of guests fled in the lobby or outside.

Fire officials identified the victims as Edmund Clubck, 38, and Dongevan G. Hall, both of the Dominican Republic.

Firemen said they died of smoke inhalation.

The fire was confined to the one-room but the smoke spread through the 20-story hotel.

Guests said the evacuation was orderly. Tyler McCoy, Sr., of Rolling Hills Calif., an engineer for the Northrop Corp., was in the room across from the victims'. He smelled smoke and went out into the hall to raise the alarm.

The third floor guests praised McCoy for his help in guiding them through the smoke.
