Re: Next Meeting - Thursday, June 19, New York City

Gentlemen:

The next meeting of subject Committee will take place at The Summit of New York, East 51st Street at Lexington Avenue, New York, New York 10022 on Thursday, June 19, 1969, beginning promptly at 9:30 a.m. in the Presidential Suite.

In view of the fact that it has been some time since the last meeting of the Committee, obviously, there are a number of important topics to discuss. A detailed agenda, prepared by your Chairman, Robert M. Miller and Jerome H. Heckman, Esq., is attached hereto.

We would kindly ask that each member of the Committee review this agenda carefully, and those shown as delivering a formal report should please bring a written report to the meeting. This will expedite our discussions. If for one reason or another an individual is unable to attend the meeting, he is kindly asked to send a written report to the undersigned prior to our business session on June 19.

Although most of you have your favorite hotel in New York City, The Summit has set aside a small block of rooms for the previous night. Those desiring sleeping accommodations there should write to The Summit before June 1, 1969, the deadline date for releasing the rooms set aside for us. In contacting Reservations, please be certain to state that your request is in connection with a meeting of The Society.

In addition to the agenda, we are also pleased to attach hereto a form to be returned to the undersigned indicating whether you will be present.

Thank you for your kind cooperation.
