Mr. Russell P. Lund
Vice President for Industrial Relations
Airco Chemical and Plastics Division
Calvert City, Kentucky 42029

Dear Mr. Lund:

We are completing our survey for the Manufacturing Chemists Association. The hand x-rays from your Calvert City Plant and the Belleville Plant will be sent to you by parcel post. At the same time, but in a separate package, you will receive the hand evaluation for each film.

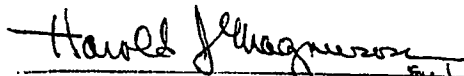

The following will be shipped to you:

Calvert City	359 x-rays
Belleville	190 x-rays

Calvert City	355 hand evaluations
Belleville	184 hand evaluations

Thank you for your cooperation in helping us complete this study and in supplying us with the films and case histories from your plants.

Very truly yours,

Harold J. Magnuson, M.D.
