It was great meeting you too. Please let me know if I can be a resource for you as well. We have utility members in 13 states serving about 30 million consumers. We're happy to be a resource.

When things settle down a bit a bit for you it would be great to have lunch.

Thanks

John

Great to visit with you with Dan Sullivan yesterday. I am sorry I will not be in D.C. When you come to meet with the Administrator. He will enjoy seeing you all and it should be productive. Let me know if I can ever be of assistance.
