

1 MS. HINES: Objection.

2 THE COURT: Overruled.

3 A I am not sure.

4 Q Okay. Now, as I understand it, the garage
5 man didn't actually perform mechanical repairs; is
6 that right?

7 A No, they didn't.

8 Q They would lubricate the vehicles?

9 A Yes.

10 Q And wash them?

11 A Change the oil filter.

12 Q They changed the tires, I guess?

13 A Yes.

14 Q You mentioned that they would wash the
15 vehicles.

16 Was that a pretty common practice?

17 A Yes, when they weren't falling apart.

18 (Whereupon, laughter ensued.)

19 BY MR. WILLIAMS:

20 Q Your main thing was to keep them running,
21 right?
