Hi Aaron,

I just wanted to check in with you to see if there is any more information we could provide you and your team as you work to fill the Administrator's schedule. I understand you are likely still in the planning stages for next year, but if you have any questions about our invitation, please let me know.

Thank you!

Hi Richard

Thanks for the letter from Mr. Dooley. We probably won't have a response to your request for a couple of months as we haven't scheduled out that far. In the meantime, can you complete the attached event request form and return to me. Thank you.
