Dear Aaron,

Thank you for coordinating last week's call between EPA Administrator Wheeler and the American Forest & Paper Association and American Wood Council. We are very grateful for his time and the productive discussion.

If you could kindly pass on the attached thank you letter to Administrator Wheeler, I would very much appreciate it. The letter also includes an invitation for Administrator Wheeler to speak at our virtual Board of Directors' meeting on June 18. This would be a unique opportunity to engage our member company CEOs and executives and we would be so pleased if he could attend.

Thank you and be well,

Heidi
