Subject: BREAKING NEWS: Trump administration unveils fiscal 2018 budget

President Donald Trump has laid out his fiscal 2018 budget request, calling for \$668 billion in defense spending, coming in \$22 billion above current levels.

The document lays out \$479 billion for non-defense programs, which amounts to \$57 billion less than current spending. The White House has proposed slashing funding for all federal departments besides DoD, Veterans Affairs and Homeland Security.
