Subject: BREAKING NEWS: U.S. tells EU: No laptop ban

The U.S. today opted not to introduce a ban on bringing laptops into the cabins of flights to the U.S. from Europe, sources told POLITICO.

"No ban," a Commission official said. "Both sides have agreed to intensify technical talks and try to find a common solution."

The decision was made during a conference call this afternoon between U.S. Department of Homeland Security Secretary John Kelly and European Home Affairs Commissioner Dimitris Avramopoulos and Transport Commissioner Violeta Bulc.
