- (b) If applicable, identify the organization or association through which Defendant, its predecessor or related company, obtained the use of or access to, such library(ies).

ANSWER TO INTERROGATORY NO. 53:

Abex objects to this interrogatory on the grounds that it is over broad, unduly burdensome, compound, vague and ambiguous and calls for speculation.

Abex also objects to this interrogatory on the grounds that the information or materials it purports to seek lack relevance to the issues arising in these cases and are not calculated to lead to the discovery of admissible evidence. To the extent it purports to seek information or materials regarding the working conditions of Abex employees, this interrogatory is further objected to on the grounds that such information or materials lack relevance to the issues arising in these cases and are not reasonably calculated to lead to the discovery of admissible evidence.

Abex objects to this interrogatory on the ground that it assumes the truth of matters not established or matters not in evidence.

Subject to and without waiving these objections, and insofar as Abex understands this interrogatory, see Answer to Interrogatory No. 52.
