Subject: Tile Council meeting re Brick MACT reconsideration

Bill,

Hope you had safe and happy holidays. Now that things are getting back to normal (hopefully), the Tile Council would like to meet to discuss EPA's reconsideration of the Brick/Clay MACT rule and the industry's lack of major sources. Can you let me know who is taking the lead on that effort, if not you? Eric Astrachan will be in town several times in the next several weeks. Thank you for your consideration. Best. Jeff.
