Subject: Meeting Request -- Jeff Wilson, WPX Energy

Ryan:

Jeff Wilson, VP for Governmental and Political Affairs at WPX Energy, would like the opportunity to meet with you to discuss the regulatory environment for the oil and gas industry and update you on the challenges and opportunities that the industry faces going forward.

You are likely familiar with WPX Energy– but by way of background, the company is an upstream on-shore oil and gas company with operations in the Permian Basin, the Williston Basin, and the San Juan Basin.

Jeff will be in Washington, DC on Wednesday, July 26 and was hoping to visit with you then.

Please let me know if you have any questions. Thanks for your consideration. Best, Elizabeth Gore
