Dear Mr. Kosower:

I am attaching a copy of my letter of November 12, 1980 in case you did not receive same.

I am still very much interested in receiving the tapes of our Vinyl Chloride Safety Association meeting in October. As I mentioned in my previous letter C.O.D. (collect on delivery) would be perfectly acceptable. If however, you would prefer another arrangement please let me know so we can proceed.

I feel it is very important to maintain the continuity of our meetings in our tape file. Please let me know if there are extenuating circumstances that would prevent this.

Thank you for your consideration.

Very truly yours,

H. G. Olson, Secretary  
Vinyl Chloride Safety Association
