

1 MR. MCGOWAN: Documents discovered by
2 reviewing Willis Day files and other areas show the
3 first worker's compensation case specifically
4 involving Kaylo was in 1966.

5 Thank you.

6 MR. SMITH: In a recent trip to the Santa
7 Clara plant, OCF's plant in California, a preliminary
8 review was conducted on a lot of files. There was a
9 file entitled, Workmen's Compensation, 1962 to 1967,
10 and that file contained at least five files.

11 That file also contained various
12 correspondence from law department personnel from
13 Santa Clara in the early 1960s.

14 Correspondence indicates there were, in
15 fact, asbestosis-related compensated claims as well as
16 specific claims for lung cancer.

17 The next document is OCF Exhibit 749, dated
18 May 24th, 1965. Mr. Hardwick was the manager of the
19 Kaylo production and Mr. Burch was a vice-president as
20 was Mr. Boyd.

21 THE COURT: It will be admitted into
