Dear Mr. Swick:

Please find pertinent information including bylaws, notes of last meeting, membership list, and application for membership blank.

If your company decides to join the Vinyl Chloride Safety Association, please address your application blank to Mr. J. R. Meehall of Hooker Chemical, Ruco Division, Homopolymer Facility Manager, Burlington, New Jersey.

Mr. Meehall is the new Association Secretary for 1972, and he will be glad to process your application.

Very truly yours,

S. J. Moll
