Subject: Ex. 6 New Yorker magazine request to interview Scott Pruitt

To Whom It May Concern, EPA Press Office:

Our staff writer Margaret Talbot is working on a piece for *The New Yorker* about Mr. Pruitt's first year at the EPA. We sent an initial request to interview Mr. Pruitt in November, and wanted to circle back before Margaret's deadline of February 16th.

We noticed that Mr. Pruitt granted interviews to *Time*, *National Review*, and most recently, *The New York Times's* "The Daily" podcast. If Mr. Pruitt has any time to speak to Margaret within the next two weeks, we would greatly appreciate the opportunity. Thanks so much for your time, and please let us know if we can provide any more information.

All the best,

Tyler Foggatt
