O. F. Stewart

On June 27, I wrote you a letter stating that we had been visited by a representative of the Public Health Service in Cincinnati, and they wished a list of our current and past employees with their social security number, age and length of service. Enclosed is a copy of a letter which I have just received from Mr. Lynch formally requesting this information.

I would appreciate your letting me know whether we should release the requested information to them or not.
