Hi Scott-

Well, at least it sounds like you're busy! I would have some time next Thurs or Friday, if that works for you. The following Monday, May 22, works as well.

Thanks so much!

Safe travels.

Hi Jana,

Yes, I am still at DOI, having lots of fun. I hope in a week or so to get my permanent job; not exactly what I was hoping for but a good beginning.

I'm at the LA airport now waiting for a plane to Monterey that will be an hour late and then Monday morning I am off to Phoenix until Wednesday morning. When would you like to talk or meet?

Thanks,
Scott

I hear that I'm still on the short list for the position we discussed but that there are also some others on that list that we should discuss.

I hope everything is going well. If you have time, let's have lunch or talk by phone when you have a minute.

Thanks!

Hi Mandy,

Hope you are feeling better! How about Monday February 26? Feel free to suggest some days in March if that doesn't work.

I look forward to seeing you!

Hi Scott,

Sorry so slow to respond, what a busy few weeks it has been.

August open dates are 8/18, 8/23, 8/30. I can pass along September dates too if that works better for you? I really would love to come to the city if that works for you?

Based on your signature line it looks like you are wearing a few hats! I am looking forward to hearing about your adventures since the beginning of the year!

Mandy,
Congratulations on the new job! I am very happy for you!

I'd be delighted to see you. Please suggest some days in August that would work for you for lunch. I have access to my car and can easily swing by Alexandria from Main Interior. It's only a 15 minute drive.

Thanks,
Scott

Scott, it has been way too long! I hope all is going well. I really want to hear about your adventures since January!

I also want to let you know that my new job finally came through. I start August 6th as the Director of the new Planning and Budgeting Products Division within OCFO at USPTO. I am pretty happy that I waited it out (even though it took forever).

I assume you are mostly working downtown, so maybe sometime in the new month I can come down either for lunch or for happy hour and meet you closer to your office? I am sure you are very busy, but let me know what works for you.

Best,

Mandy

Hey Doc,

The secretary was well-intentioned, but Indian Country is sensitive to potential nuances his comments.

Thanks for the heads-up on your other possibilities. I think you would be a better fit at DOI, but understand the need to consider other options.

A TurtleTalk editor posted your letter to NCAI, so hopefully, that will tamp down the misperceptions of Zinke's nuanced statement.

As I mentioned in my voicemail, I remain very interested in working with you at DOI, and I am eagerly waiting for an update from Lori Mashburn.

In the interim, however, I did get asked by DOE to interview this afternoon, and apparently, my materials are also under review at SBA (evidently there is a shortage of qualified and available Indians on Team Elephant).

I'm sure you are swamped with a variety of issues, but if there is any way to accelerate this process, I would appreciate it as I don't want to be in the position of having an expiring offer in hand while I am waiting for an offer from DOI.

Thanks again,
