Dear Dr. Kehoe:

Dr. Brown asked me to reply to your kind letter of March 31 and to thank you for taking the time to explain your point of view.

We would be very glad to accept for publication in its entirety as a Special Article in the REVIEW OF ALLERGY the article you have prepared for the Air Pollution Control Association next June or any other paper you may wish to submit. In addition we would also be glad to print any abstract you would like to send us which would in your opinion be a meaningful discussion.

Yours sincerely,

Willa McKay
