Degree programs

The ASSE survey showed that the following institutions offered these programs

Georgia Institute of Technology
Masters in Safety Engineering
University of Georgia
Master of Safety, Driver and Traffic Education
Northern Illinois University
Masters in Education with Major in Safety
Master of Science with Major in Safety
Central Missouri State College
Master of Science in Education, Safety Education
Master of Science, Safety Education
Master of Science, Industrial Safety (proposed)
New York University, Center for Safety
Master of Arts with specialization in Industrial Safety
PhD in Industrial Safety
Also certificate programs in Industrial and Motor Fleet Accident Prevention
Ohio State University
Master of Science, Industrial Engineering with Safety emphasis
PhD, Industrial Engineering with Safety emphasis
Indiana University of Pennsylvania
Proposing Undergraduate degree with a major for Driver Education Teachers
Texas A & M University
Safety Degree Program (proposed)
Illinois Institute of Technology
BS Degree, Fire Protection Engineering
University of Illinois
MS in Industrial Engineering with a major in Safety
University of Maryland
BS Degree, Fire Protection Engineering
Oklahoma State University
Associate Degree in Fire Protection Technology
University of California (Berkeley)
Master of Public Health (Industrial Hygiene)
Master of Science (Industrial Hygiene)
Harvard University
Master of Industrial Health
Master of Science in Hygiene, Industrial Hygiene or Industrial Hygiene Engineering
Doctor of Science in Hygiene, with designation of field of concentration
Graduate program in Radiological Health
Graduate program in Air Pollution Control
University of Michigan
Master of Public Health (Industrial Health)
Doctor of Public Health
University of Iowa
PhD in Department of Preventive Medicine and Environmental Health
Wayne State University
Masters in Industrial Hygiene

University of Cincinnati
Master of Science, Industrial Health
D Sc, Industrial Health
University of Pittsburgh
Master of Science in Hygiene (Industrial Hygiene)
Indiana State University
Bachelor of Science in Safety Management
Memphis State University
Bachelor of Science in Industrial Safety
Wisconsin State University (Platteville)
Bachelor of Science in Traffic and Safety Education

Credit courses

A total of 67 colleges and universities (including those with degree programs) offer courses in safety (first aid and water safety are not included) These courses, according to the survey, are categorized as follows

General safety This may include first aid in the basic course It does include safety management, public safety, and psychology of accident prevention
