OFFICE

DATE

June 4, 1957

SUBJECT

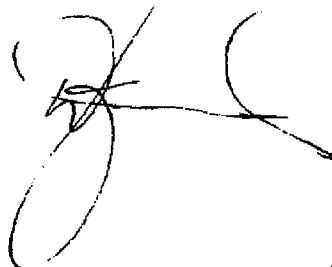

Lead Warning Stickers
National Lead Company

ANSWERING LETTER OF

Dictated by

Attached is a lead warning label supplied by National Lead. This is the small sticker which they use on all shipments of their lead products. We find, however, that National Lead has not been using this sticker or any other type of warning label on shipments of lead products for our account.

Please advise if you need any additional information or need additional warning stickers.

Is this warning OK
can it be included on our product label
if not off end of New plates - both types
