PROPOSAL REPORT

NATURE OF PROPERTY CHANGE Purchase Laboratory Equipment. (Fluctriator)
NAME OF PRODUCT AFFECTED Pipe DEPARTMENT Operating

Proposal

Request is made to purchase an elutriator, a device for measuring the degree of openess of prepared fibres for pipe making.

Reason for Proposal

This equipment will aid in determining the best economics of fibre treating, then serve as a control instrument for maintaining correct degree of fibre treatment.

Depreciation

A rate of 12½% based on a useful life of 8 years is suggested.
