

Beauty comes to your house with
 paint. Beauty *stays* with lead paint
 made of Dutch Boy white-lead.

WHAT to do and
 how to do it? These
 questions puzzle many
 house-owners when the
 time comes to redecorate
 the home, either inside or
 out. For the answer to
 such questions, send for
 the "Handbook on Painting"
 and the booklet (in color)
 "Decorating the Home." With
 the booklets you will receive
 a decorators' data form to
 use if you want our Depart-
 ment of Decoration to work
 up a special color scheme for
 your particular house.
