TO ALL BONDEX MEN:

Effectively immediately PRE-MIXED JOINT CEMENT (1 gallon cans only) is being produced and shipped with a formula that CONTAINS NO ASBESTOS!

This is part of our continuing effort to make our full line Asbestos Free and to summarize this has now taken place on our SX Joint Cement line all sizes, Roll-On Texture, and how PRE-MIXED JOINT CEMENT for the consumer in 1 gallon cans.

expect

We expect to follow with several additional products just as soon as labeling revisions have been completed and we'll keep you posted.

Cordially yours,

Julius K. Nemeth
