

1 1950s.

2 The nature and business of the employer was
3 sale and upholstery of furniture.

4 The position held was upholsterer and the
5 answer to the occupational dust and exposure question
6 is, that plaintiff may have been exposed to asbestos.

7 The third work site listed is Foreign
8 Motors, 5400 BelAir Road, Baltimore, Maryland 21206.

9 The beginning and ending dates of
10 employment, from 1957 through 1992.

11 The nature and business of the employer,
12 auto sales and repair.

13 The position held is auto mechanic and the
14 occupational and incidental exposure question, the
15 answer is, plaintiff was exposed to asbestos.

16 Then Mr. Grewe indicated that plaintiff's
17 investigation is continuing.

18 I would like to go ahead next and read --

19 MR. SMITH: Excuse me, can I read the
20 supplemental answers to keep it in context?

21 MR. WILLIAMS: That is what I am going to
