Mr. D. E. Roush, Heat Transfer Fluids
Monsanto Company
800 N. Lindbergh Blvd.
St. Louis, Missouri 63166

Re: Your letter of May 5, 1970

Dear Mr. Roush:

In answer to your inquiry regarding your Therminol heat transfer system, the State of Washington does not now require boiler operators to be licensed.

You might inquire of the cities of Spokane, Seattle and Tacoma, as all three cities require licensed operators.

Yours very truly,

C. C. EDELMAN
CHIEF BOILER INSPECTOR
