**Subject:** Invitation

I would like to invite you to speak during a lunch break (or another time if needed) of an AHAM industry-wide meeting on refrigerants and refrigerator/freezers. The meeting attendees will consist of 10+ appliance refrigeration engineers and 10 or so industry regulatory compliance directors. On March 7, the group will be meeting in-person at AHAM for its second day of a three day meeting. If you could join us for the lunch break on Wednesday, that would be ideal. However, we could find time on March 6 or March 8, too. Having the entire industry's refrigeration engineers in a room at the same time is not a frequent event, and I think it would be beneficial for them to hear from you and for you to ask any questions you may have as it relates to refrigerant policies, such as the SNAP rules.

Thank you for considering this invitation. I am hopeful it will work out. Please let me know if there is anything I can do to help on this. Thanks again.
