Still brilliant white years after painting

- Goes on fast and easy
- Has amazing "Self-Cleaning" action
- Preferred by painters & home owners
- Gives years of protection against rot & decay

DU PONT HOUSE PAINT

It's brilliant white when it goes on your home. And Du Pont "40" Outside White House Paint keeps your home dazzling white long after ordinary paints have become dull and dirty. That's because this exclusive Du Pont formula is rich in titanium dioxide, the whitest pigment known.

Du Pont "40" Outside White is self-cleaning! This means dirt and dust don't become imbedded in the paint film. The action of heavy rains striking your home keeps surfaces sparkling white. (This self-cleaning action takes place on any surface exposed to sun and rain, provided no extra-heavy concentrations of industrial soot are in the atmosphere.)

You'll find Du Pont House Paints go on fast and easily...hide beautifully...go a long, long way. And they give the best protection against rust, rot and decay. From every angle, they save you time...save you money.

Du Pont Paints for exterior use come in a wide range of today's most popular colors. There's the right Du Pont House Paint for your particular needs...whether your home is wood, masonry or a combination of both. For best results, see your Du Pont dealer. He'll recommend a reliable painting con-
