

1 to revise shop manuals sold for any previous
2 model year, Ford vehicles to include a warning
3 about health hazards associated with asbestos?

4 MR. KRAUSE: Well, I'm going to
5 object. I don't see how he can draw a
6 conclusion based on this letter.

7 THE DEPONENT: From the previous
8 document you gave me, there was, it was talking
9 about asbestos and potential hazards at least
10 in 1981.

11 Q Okay.

12 A And this is dated 1983, so I think
13 the answer to your question is no, that things
14 had to happen --

15 Q All right.

16 A -- at least in the document you
17 showed me.

18 Q Are you aware of any warning language
19 that Ford put in shop manuals, let's say,
20 between, for model years, for model years prior
21 to 1980, that referenced asbestos or health
22 hazards associated with asbestos in any way?

23 A I, I don't know.

24 Q Okay.

25 A I'm not aware.
