Dear Dr. Kehoe:

We would like to feature in a future issue of this company's MEDICAL BULLETIN the article, "Methods for the Prevention of Lead Poisoning in Industry", which appeared in the June issue of the JOURNAL OF OCCUPATIONAL MEDICINE.

We are requesting the publisher's permission to republish this and wonder if you would consent to allow us to do so. We will, of course, give proper credit.

Very truly yours,

Constance M. Lima
Medical Librarian
