The Fair Way of Selling Paint

is to give you the material that will do exactly what you want it to do.

If it's a floor, table, bath-tub, or the whole house you're about to paint — or varnish, enamel or stain —you can get exactly the article that will do it best by asking for the kind marked

ACME QUALITY

This name distinguishes the best paints, enamels, stains, varnishes, and makes it easy for the practical painter or novice to get not only the *right material* but absolutely *the best* for the work to be done.

If your nearest dealer cannot supply you with the "Acme Quality" kind, we will.
