Darrin,

Do you know when in June they requested? The Administrator has a ton of travel going on in June so it could be a tough month.

Subject: Thank You for Uranium Meeting

Hello Samantha,

I just wanted to thank you for visiting with Paul Goranson and I last week on uranium issues, specifically part 192 and the Navajo abandoned mine cleanup. At the meeting you mentioned maybe setting up a meeting with Administrator Pruitt on part 192. I spoke with members of the Uranium Producers of America and they have put in a request to meet with the Administrator for June. I think we will try and join that meeting, but anything you can do to help ensure it gets set up would be great. Thanks again.

Regards,
