DOC#: ALC004

DOCUMENT DESCRIPTION: Memo

✓

12/24/61

To Reginald - Safety Dept.

Attached is a ltr. & photos from
Massena showing a Maromite hole
saw for sawing rings in the machine shops.
The state of Calif. may be giving us
a lack of consideration by not being
able to saw these rings. Would you
please read the ltr. and give it your
consideration.

Ed Allen.
